Hi Danielle,

I am pleased to provide EPA's responses to the comments from the interagency reviewers and redline edits that were received on October 15th and the Department of Veterans Affairs comments that were received on October 17th. Please let me know if you have any questions about the attached.

Thanks!

Good morning Melissa,

Attached please find two comments that contain the interagency reviewers comments and redline edits. It would be helpful if EPA could address the redline edit comments in that same document. Please ask the staff to refrain from pulling these comments and edits into a separate document.

Please let me know if you have any questions regarding the comments.

All the best,
Danielle
